

我喜歡你的音樂
我懷念你靈魂并且走
cynica (白) living hell
I AM THE ONLY ONE SEARCHING FOR YOU
時間過了很久以後的今天 我想起 的口袋塞
滿空白 沒必要 明的話 大家唾棄的低能我

LET'S LIVE WHERE THE INDOORS AND OUTDOORS
MEET
ALL THE KIDS IN THE COMMONWEALTH ARE FREE.
EVERY MORNING YOU FORGIVE ME
EVERY EVENING YOU RELIVE ME
AND THE PATTERN ITSELF IS WHAT YOU GIVE ME

我不想绝望地说 我无法被美好的事感动
请你告诉我 请你告诉我 我的骄傲 让我犯错
请你提醒我 坚定地提醒我 我的愤怒 来自迷惑

And listen, about those bitter songs you sing?
They're not helping anything
They won't make you strong

And I'll cater with all the birds that I can kill
Let their tiny feathers fill disappointment
Lie down; lick the sorrow from your skin
Scratch the terror and begin

多希望你會突然走向我
告訴我 你也有同樣感受

你
想
著
天
空
躺
在
床
上
看
著
天
空
的
句
句
哀
愁

騎在空平的那區 沒有時間和意義 一直走
一直走 直到星星墜落 唱著深夜 folk song
我們活在 過去未來一起還連過來的同一
個腦袋 沒有驚嘆唱著歌的黃金海岸邊
會讓是天消逝的不知不覺 現在就從頭
忘記 那些渾渾噩噩的過去

給我感受你的音樂
感受你的一切
給我生存的感覺
來對抗懦弱的□□
困擾的每一天喔我閉上眼

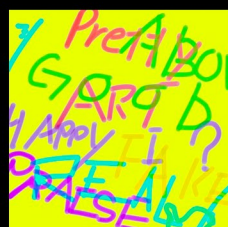

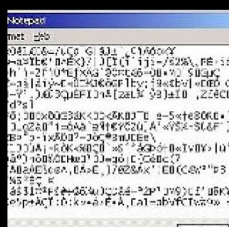

昨天我想了 一直都沒有對 說

SILENT KID NO ONE TO REMIND YOU
YOU'VE GOT NO HEEL NO REELS TO
REMIND YOU no i won't need someone to let me be
Rotten device. I'll say it twice I'm too much, I'm too much
forted here Costs too much too much, we'll leave you Ever
where eyes, nowhere to die No place to shove your sharp
heel I'm looking looking for a tired face In case you want
go I know, I'm breathing in to the end I know I'll never know

要自我背叛當然選輕鬆的方式 畢竟是大
人了 就允許我輕聲哭泣與歡笑 照著記著
的秋意地圖冒雨出門畢竟是大人了今日就
允許我歌唱與歡笑該保護的我還是會守護

many many many many love
我听甘你的漂亮所收
Music is with

I'm aching to be
I'm aching to be
I'm aching to be
I hate you be u are.

I'm
achin
to be
